

# Estonia

**Overall Risk Score: 17**

**Risk Level: very low**

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government:** Estonia receives a good score of 23 in this domain, based on a low degree of government interaction, a very low expectation of bribes, and a low regulatory burden.
2. **Anti-bribery Deterrence and Enforcement:** Estonia receives a very good score of 13 in this domain, based on a very high quality of anti-bribery dissuasion and a very high quality of anti-bribery enforcement.
3. **Government and Civil Service Transparency:** Estonia receives a very good score of 13 in this domain, based on very good governmental transparency and very good transparency of financial interests.
4. **Capacity for Civil Society Oversight:** Estonia receives a good score of 14 in this domain, based on a high degree of media freedom/quality and a high degree of civil society engagement.
