

Bahamas

Overall Risk Score: 48

Risk Level: medium

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

- 1. Business Interactions with Government:** The Bahamas receives a medium score of 67 in this domain, based on a high degree of government interaction, a medium expectation of bribes, and a high regulatory burden.
- 2. Anti-bribery Deterrence and Enforcement:** The Bahamas receives a good score of 30 in this domain, based on a high quality of anti-bribery dissuasion and a medium quality of anti-bribery enforcement.
- 3. Government and Civil Service Transparency:** The Bahamas receives a medium score of 52 in this domain, based on medium governmental transparency and medium transparency of financial interests.
- 4. Capacity for Civil Society Oversight:** The Bahamas receives a good score of 23 in this domain, based on a high degree of media freedom/quality and a high degree of civil society engagement.
